PROFILE

I am a dedicated Bharatanatyam practitioner with over 15 years of experience, committed to continuously advancing my knowledge and skills in this classical art form. My passion extends beyond personal growth, as I am eager to share the richness of Bharatanatyam with a broader audience. I strive to educate and inspire others by imparting the technical and cultural aspects of the dance, with the aim of preserving its traditional essence while encouraging creativity and exploration in those I teach. My long-term vision is to create a positive and lasting impact in the world of classical dance through both my performances and teachings.
